REOPENING

I am SO excited to let you know that we will be reopening our classes at our venues from

Monday 19th April.

We will be stopping a week early for our Easter break and adding an extra week onto the end of our Summer term. This will mean we will get an extra week in our in person classes before our summer break in July.

For children that are keen to still keep doing classes during the w/c 29th March, Gemma will be running lots of ad-hoc online classes and workshops that children can book into. These classes and workshops are completely free for our current LRSD students.

A great chance to try out a new style or for those students who have been missing Gemma, they can enjoy some classes with her. Details to follow.

TERM DATES

Easter Break 29th March - 18th April

19th April - 30th May

May Half Term 31st May - 6th June

EASTER WORKSHOPS

I'm really pleased to announce that we will be running a two day Easter workshop on Tuesday 13th and Wednesday 14th April 10-3pm at Leybourne Village Hall (suggested age 4-12yrs)

Students can attend one or both of the days and we are offering an early bird booking price.

£35 per day £70 for both days (**£30/£65 for early bird discount**)

Lots of dancing, singing, fun, games and Easter craft!

An email will be sent with details of how to book.

REWARD CHARTS & MEDALS

You may have heard about this term's reward chart and also received your child's reward chart via email this week

After each lesson, students can colour in or draw something in the star box to show they attended class. We have 5 weeks this term (please include last week) and any student that attends a minimum of 4 lessons will get a medal. Once we reach the Easter break, you will need to email or post on Facebook a picture of your son/daughter holding their completed chart. If they have attended at least 4 classes, they will collect their medal in class after the Easter break!

Senior students will still be eligible for their medal, but don't need to do the colouring!

LAST DANCER STANDING

We have moved our Online Showcase to the Summer term so that more of our students can take part. We are instead running *The Last Dancer Standing*, for those students that are still with us online.

All you need to do is submit a short video and this will be edited together to create a montage of all of our students taking part in our online classes.

More details to follow.

OUR NEXT SHOW

Sadly Covid has meant that we missed our LRSD Showcase in Summer 2020 and our big theatre show in Summer 2021.

I am looking to reschedule our showcase for Christmas 2021 and our theatre show in Spring/Summer 2022.

As mentioned above we will be working on our Online Showcase after the Easter break, so our students will have this performance opportunity in the Summer term.
