

# LUCY ROBINS SCHOOL OF DANCE SPRING 2023 NEWSLETTER

## WELCOME TO OUR SPRING TERM

We have had such an amazing start to 2023 with new classes, new students and new teachers joining the LRSD family. The best part of this year so far has to be our bi-annual theatre show at The Stag Theatre in February!

What an amazing weekend for all involved! The students just blew me away with their talent and professionalism and WOW....the feedback too

250 students aged 2 - 20 years took to the stage for a whole weekend of rehearsals and 2 amazing shows.

# PROGRESS AND ACHIEVEMENT

As a non examination school, we attract students who love to dance and perform but don't necessarily want the extra pressure of examinations.

LRSD is very unique as we use our own specially created schemes of work and syllabi. This allows us to keep our students development ongoing and our work fresh and exciting.

We can adapt our coursework to suit the children in our classes and what works best for them individually, rather than a syllabus that is set in stone and cannot be changed to meet individuals needs.

This year we are launching something I am very excited about and have wanted to do now for a couple of years but the school has grown so much, there just hasn't been enough time to get it finished.

With the help of Katie and the combined talents and amazing skills of our qualified teachers, we are launching our LRSD Progress and Achievement scheme during the Easter break.

Students will work through levels in each class and parents will receive a progress report and the student an achievement certificate once the level is complete.

# UNIFORM & TERM DATES

Uniform is compulsory for all classes – please see [www.lrsd.co.uk/uniform](http://www.lrsd.co.uk/uniform) for details.

Please make sure students have the correct footwear.
